QUICKFRAME

ASSEMBLY GUIDE

STEP 1. Open your Quick Frame gate kit & assemble your frame.

STEP 2. Measure your opening & if required, make a simple straight cuts to alter gate height / width.

STEP 3. Re-assemble, confirm measurements & screw your Quick Frame gate kit together using the screws provided.

STEP 4. Hang your hinge receivers to post or wall.

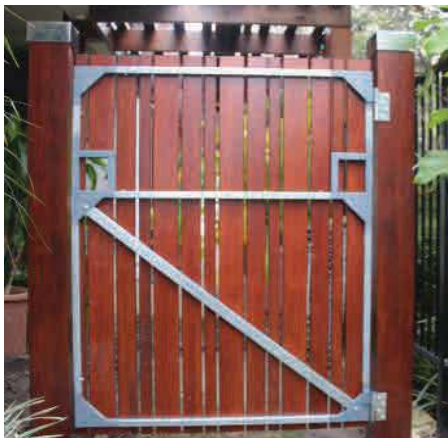

STEP 5. Hang your Quick Frame gate to ensure correct fit.

STEP 6. Prepare your desired cladding.

STEP 7. Fix your gate or panel cladding to your Quick Frame gate or panel.

STEP 8. Re-hang your finished gate & attach your latch, lock or catch.

STEP 9. Enjoy.
